**As well as our Lobby and Ballrooms.**

The Delta Vancouver Airport is unlike any airport hotel & convention center. We offer guests a resort-like experience in a picturesque setting just minutes from Vancouver International Airport. You will also be just minutes from shopping, sightseeing, transit and attractions via our complimentary community shuttle.

Take our hotel dog Cessna for a walk or run on the river paths or relax in the spa. Whether staying on business or pleasure, there are so many options at the Delta Vancouver Airport, you will want to extend your stay.
